ELIGIBILITY/TEST LEVEL:

Test level: Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event. Skaters who placed in the top four in a final round of their last qualifying competition in their divisions must move up one level, except for novice and higher.

Skaters may enter either the test track or the well-balanced free skate program, but not both during the same competition.

The maximum age for Little New England Events is 18 years old.

Skaters may enter only one Little New England event.

Skaters entering beginner through pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one group.

There will be no Open Juvenile event.

For all events where permitted by USFS, if there are insufficient entries to hold a separate event, male and female skaters may compete against each other. PPFSC also reserves the right to limit the size of each event, to cancel an event, to combine and/or divide groups if necessary. In addition, the LOC may cancel or alter an event due to time constraints.

ENTRIES: Only Entry-eeze applications will be accepted. No paper entries will be allowed. Secure online registration for the Providence Open and Little New England Championships at www.ppfsc.org Simply follow the links for the competition information; use the link to register for the competition and pay with a credit card. A non-refundable processing fee of 3.8% will be added to each entry. Entries must be submitted no later than July 31, 2017.

Late entries will be accepted at the discretion of the LOC with a \$50.00 late fee. All skaters must have a current USFS membership by the registration deadline. Any skater who does not have a current membership by the deadline faces disqualification from the competition and the forfeiture of all entry fees. Special attention should be taken when checking off the events to be entered- any changes after July 31, 2017 will be assessed an additional \$25.00.

INFORMATION REGARDING COACHES:

U.S. Figure Skating Rule MR 5.11 Coach Registration

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.
- C. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.
- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Learn to Skate USA ONLY coaches - Any person, 18 and older, instructing a Learn To Skate USA program must have successfully passed the annual background screen and be registered as a Learn to Skate instructor.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without proper registration is an ethics violation which is reported to U.S. Figure Skating and PSA.
