

## 2017 LeeAnn Miele Synchronized Skating Open Directions for entering IJS teams

Because practice ice is mandatory for IJS teams, the fee for practice ice is included in the team entry fee. Refer to page 3 of the announcement for details.

1. Junior and Senior teams that wish to enter both the short and freeskate events should selection the option as shown in this illustration. This will ensure that you will be charged the correct price. If you are entering only one event, select that option from further down in the menu.

The screenshot displays the entryeeze website interface for the 2017 Lee Ann Miele Synchronized Skating Open. The top navigation bar includes 'Competition', 'My Account', 'Practice Ice', and 'Help & Misc'. A shopping cart icon shows 0 items, and a 'Go to Shopping Cart' button is present. The main content area is divided into two steps: '1 Select your events' and '2 Make practice reservations'. Under step 1, there are two dropdown menus: 'Select an event:' with 'Combined SP/FS Event' selected, and 'Select a level:' with '-Select-' selected. A callout box points to the 'Combined SP/FS Event' option with the text: 'Junior and Senior teams that wish to enter both the short and freeskate events should look for the "Combined SP/FS" Event option in the menu.' Under step 2, there is a message: 'No practice sessions are currently available.' The entryeeze logo is in the top right corner.

2. For all IJS teams: Once you select your event, you will be brought to a window that allows you to make practice ice reservation. This will only apply to your team if you wish to purchase additional ice that is above and beyond what is included in your entry fee. See the illustration below.
