Entry Deadline: February 5, 2017

Secure online registration and credit card payment will be available at
The Figure Skating Club of Memphis website (www.fscmemphis.org).

Sanctioned by:
Learn To Skate USA and U.S. Figure Skating

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to all skaters who are current eligible (ER 1.00) members of either the Learn To Skate USA program via the Figure Skating Club of Memphis and/or The Mid-South Ice House Skating Club and those who are full members of U.S. Figure Skating via the Figure Skating Club of Memphis. To be eligible, skaters must have submitted a membership application or be a member in good standing. There will be no more than six competitors, maximum, in an event and all six will receive an award.

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam** and **Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances. For the **Pre-free skate, free skate 1-6, test track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition. It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

ENTRIES AND FEES

The entry fee is \$45.00 for the first event and \$25 for each additional event. Only online registration will be accepted. Online entry with secure credit card payment is available at The Figure Skating Club of Memphis website (www.fscmemphis.org) through www.entryeeze.com. Online entry must be completed by midnight on **February 5, 2017**. Notification of competition and practice times will NOT be available by phone, mail, or email. Skater and Coach Schedules will be available via the web at fscmemphis.org. Any late entry, if accepted by the competition committee, must be accompanied by a \$25.00 late fee. Full refunds, minus the online processing fee, are available if withdrawal is prior February 5, 2017. After February 5, 2017, entry refunds are only available if the competition is not held or there is death in the competitor's immediate family. **There will be NO medical refunds given**. Refunds will be returned to your credit card as soon as the competition committee determines that a refund is due. When you register online, the processing fee is not refundable for any reason. There will be a \$25.00 change fee for change of each event or level after February 5, 2017. Furthermore, if only one competitor signs up for an event, an exhibition performance will be scheduled for the competition, rather than an automatic cancellation of the event.

ILLUSTRATION OF THE PROGRESSION THROUGH THE LEVELS OF U.S. FIGURE SKATING

Singles athletes begin with the Learn to Skate USA program, then progress to the "introductory levels," and finally choose whether to follow the test track or Well Balanced program category. Athletes may choose to move between test track and Well Balanced program at any point.

LEARN TO SKATE USA PROGRAM

Competition levels for skaters within Compete USA include:
Snowplow Sam
Basic 1-6, Adult 1-6, Hockey 1-4
Pre-Free Skate and Free Skate 1-6

Skaters may begin or advance to the "introductory levels," which are an introduction to competitive figure skating.

INTRODUCTORY LEVELS

Once skaters have competed at the introductory level, and begin the official U.S. Figure Skating test structure, they may then choose whether to enter the "Test Track Free Skate" or "Well Balanced Free Skate" program. Test requirements for both categories are the same, it is completely the choice of the athlete which track to follow.

SHOWCASE EVENTS:

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Showcase program utilizing intense emotional skating quality to depict choreographic theme.
- Light entertainment: Showcase program emphasizing such choreographic expressive qualities such as comedy, love and mime while incorporating skating skills.

EVENT: Solo Pattern Dance

General event parameters:

- Levels are based upon the skaters' highest pattern dance test passed.
- A solo pattern dance competition event will consist of the skater performing two solo pattern dances.
- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.

EVENT: Compete USA Team Compulsories

Format:

The designated skater from each team will perform their chosen element in sequence on full ice, with no music, and will follow this format:

1. Minimum of three skaters on a team; each skater will do at least one required element.
2. When the event is called, all skaters will take the ice for a two (2) minute STROKING ONLY warm-up.
3. This will be followed by a one (1) minute individual warm-up for the elements.
4. Teams will be directed to find a "base" for their team along the boards on the ice where they will stay for the remainder of the event.
5. The announcer, referee or judge-in-charge will call the first element (e.g. jump or stop) to be performed.
6. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
7. Once all the teams have had their skaters complete the element, the next element will be called.
8. Judging is done with one mark for each element (skater) for total team points.
9. Repeat #4-7 above as this will be done in sequence until all the elements at each level are completed.

Compete USA Competitions

LEARN TO SKATE USA SYNCHRO SKILLS 1 – 3

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating. (See program requirements.)

Eligibility Rules: All skaters on the team must either be full U.S. Figure Skating members or members of the Learn to Skate USA program. All Learn to Skate USA Synchronized Skating teams must be registered with U.S. Figure Skating and have a team number.

In order for the team to be eligible for this event, no skaters on the team may have passed higher than a preliminary test (moves in the field, freestyle or dance). The skaters' test level is as of the competition entry deadline.

No skater may compete on multiple Learn to Skate USA synchronized skating teams.

Age/Number of Skaters: Varies based on the level. The ages for Learn to Skate USA synchronized skating teams are as of the preceding July 1. If the majority of team is younger than the listed age, consider skating "up" to the level that best meets the skaters' skill levels.

Each team may have between 8-16 skaters. Teams may have a total of four athletes on their roster in addition to the maximum number permitted on the ice for their respective level.

Costume Rules: Learn to Skate USA synchronized skating teams should follow **Rule 7022 Clothing and Equipment** (U.S. Figure Skating Rulebook) when selecting their clothing for competition.

Coach Compliance: Coaches bringing their Learn to Skate USA synchronized skating team to a Compete USA competition should have, at a minimum, the Learn to Skate USA Instructor Membership, background check and complete the Learn to Skate USA Instructor Certification.

LEARN TO SKATE USA SYNCHRO SKILLS 1-3

The synchronized competition program is also part of the Learn to Skate USA program. The Compete USA competition program is for Learn to Skate USA level skaters who are interested in a first competition or “team” experience, taking the Synchro 1-4 badges a step further. Synchro Skills teams compete at Learn to Skate USA competitions and nonqualifying synchronized skating competitions around the country.

- Straight lines in lines, blocks and intersections.
- Learning how to transition within elements with ease and clarity.
- Incorporating skills from Basic 1-6, Pre-Free Skate and Free Skate 1 to strengthen skating skills.

- Demonstrate ability to recognize and skate to the tempo of the music.

Restrictions in Synchro Skills 1 & 2:

- Additional elements are not allowed (the team must do only their required elements).
- Teams may only use hand-to-hand, shoulder-to-shoulder and choo-choo holds.
