### **ELIGIBILITY/TEST LEVEL:**

**Test level:** Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event. Skaters who placed in the top four in a final round of their last qualifying competition in their divisions must move up one level, except for novice and higher.

**Age restrictions/requirements:** Age requirements as of Sept. 1, and prior to regional championships:

A. Juvenile: 12 years of age or younger for girls; 13 years of age or younger for boys.

B. Open Juvenile: 13 years of age or older for girls; 14 years or older for boys.

Skaters entering beginner–pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one group.

**Men/Boy's Events:** For Juvenile and above, two competitors shall constitute a separate event for men/boys, or a single skater may choose to skate alone, receiving a gold medal. For Pre-Juvenile and below, if there are not two male competitors in the same level, the event will be combined with the females or the skater may choose to skate alone, receiving a Gold medal.

**Event rules/ Cancellation:** In events with fewer than two skaters the skater may choose to skate alone, receiving a Gold medal, compete in the next higher level (if they are not already entered higher than their test level), or receive a refund for the event. In the result of last minute cancellations, grouping will remain the same as originally posted or at the discretion of the referee.

**Team Scoring:** Points will be awarded, according to placement, to a skater's home club for each event skated. First place will receive 3 points, second place - 2 points, and third place – 1 point. The club with the highest point total (St. Joseph FSC is not eligible) will be awarded a team trophy.

## COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S. FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

\*Indicates an introductory level that may be held at Compete USA competitions. Beginner and High Beginner require a current Learn to Skate USA and/or U.S. Figure Skating full membership; all other levels require a current full U.S. Figure Skating membership. This event is a standard U.S. Figure Skating competition.

## U.S. Figure Skating Nonqualifying Competitions

### EVENT: 2018-2019 Excel Free Skate

General event parameters:

- Skaters may not enter both a Well-Balanced Free Skate event and an Excel Free Skate event at the same non-qualifying competition.
- Skaters will skate to the music of their choice. Vocal music is permitted at all levels.
- Level will be determined by the highest Free Skate test passed. Skaters may compete at the highest level they have passed, or “skate up” to one level higher.

**Excel events may be run as either 6.0 or IJS subject to the individual competition announcement. Events will be run in accordance with the Excel Technical Handbook on the Excel Program webpage, regardless of which judging system is used.**

### **Well Balanced Program Free Skate Events**

General event parameters -

Events will be run under the 2018-2019 rules.

1. Skaters may not enter both a Well Balanced Free Skate event and Excel Free Skate event at the same nonqualifying competition.
2. Skaters will skate to the music of their choice. Vocal music is permitted at all levels.
3. Level will be determined by the highest free skate test passed. Skaters may compete at the highest level they have passed, or skate up to one level higher.
4. Minimum number of spin revolutions described for each level. Revolutions must be in position.
5. Beginner to Pre-Juvenile groups will be according to test level and age.
6. \* means element is required.
7. All free skate events will be skated on full ice.
8. An axel is a single jump.
9. There will be no axels, double jumps, or flying spins at the Beginner or Limited Pre-Preliminary levels.
10. Pre-Juvenile through Senior, Adult Silver and up, will be judged using the IJS scoring system. All other levels will be judged using the 6.0 scoring system.

### **COMBINED SHORT PROGRAM & WELL BALANCED FREE SKATE EVENTS-Championship Events**

1. Championship events will be held at the Intermediate through Senior levels and **will include both a Short and Freeskate Program.**
2. Final rounds will be determined based on the initial round Freeskate Program results. The number of skaters moving on to a final round from each initial round event will be posted at the competition. Final rounds will consist of the Short & Freeskate Programs. In the event that initial rounds are not necessary all skaters will skate both their Short and Freeskate programs. If initial rounds are necessary the number of skaters advancing to the final round will be posted at the rink. Trophies will be awarded on the basis of combined Short and Freeskate program scores.
3. All events will be judged using the IJS scoring system.

The short program events listed below will be skated. Athletes and coaches are responsible for going to the U.S. Figure Skating rulebook for rules, program length, etc.

## COMBINED SHORT PROGRAM & WELL BALANCED FREE SKATE EVENTS-Championship Events

- Championship events will be held at the Intermediate through Senior levels and **will include both a Short and Freeskate Program.**
- Final rounds will be determined based on the initial round Freeskate Program results. The number of skaters moving on to a final round from each initial round event will be posted at the competition. Final rounds will consist of the Short & Freeskate Programs. In the event that initial rounds are not necessary all skaters will skate both their Short and Freeskate programs. If initial rounds are necessary the number of skaters advancing to the final round will be posted at the rink. Trophies will be awarded on the basis of combined Short and Freeskate program scores.
- All events will be judged using the IJS scoring system.

The short program events listed below will be skated. Athletes and coaches are responsible for going to the U.S. Figure Skating rulebook for rules, program length, etc.

## THEME INTERPRETIVE

Format: Interpretive is a performance choreographed by the competitor, unaccompanied and unassisted, to music supplied by the competition committee / LOC. Programs should incorporate various elements of expressive movement and skating moves, to enhance the skater's interpretation of the music, rather than technical elements.

- Warm up time will consist of music being played twice as a group.
- **Skaters after the warm up will go back to a room, with no music being played.**  
The room will be attended only by the adult monitor and the competing skaters in that group.
- Skaters will be brought to the ice when the previous skater begins and will face away from the ice to listen to the music for one final time.
- All competitors in an event will interpret the same music.
- Props are not permitted.
- If entry numbers warrant, the combined groups will be divided by Freeskate levels.
- There is to be no instruction allowed during this event from coaches, parents or fellow skaters. The competitors are only allowed to communicate with event officials until they have completed their performance.
- Skaters are judged on interpretation of music with variety and appropriate moves covering the ice surface.
-

## Facility

This year's Pony Express Competition will be held at Bode Ice Arena which is located at 2500 SW Parkway, St. Joseph, Mo. The ice surface is 185'x 85'.

## Registration

The Registration desk will be located in the lobby of Bode Ice Arena. Competitors should check in at the Registration desk as early as possible upon arrival. The Registration desk will open one hour before the first practice ice on the first day and one hour before the first event each subsequent day.

## Official Notices

An official bulletin board will be maintained in the lobby. It is the skater's responsibility to check the bulletin board for event or schedule changes. **Skaters must check in with the ice monitor and should be prepared to compete 1 hour prior to scheduled times.**

## Music

Competition music for all skaters must be submitted electronically. Competitors must provide music for all events, as appropriate. Competition music for all events that require music must be submitted electronically via EntryEeze by the competition deadline **August 14th, 2018, at 11:59 pm.**

After paying for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "competition" tab and then selecting "my music".

Your music must meet the following criteria. If you have questions about what format you have, please contact your coach and get a new version of your music that meets the criteria listed below.

## Music Criteria:

1. File Format: MP3 (the online system will automatically check this)
2. Bit Rate: 192 kbps or higher (this will be checked by the music chairperson and they may request you upload a corrected file)
3. Sample Rate: 44,100 kHz (this will be checked by the music chairperson and they may request you upload a corrected file)
4. Leaders and trailers (the silence or "dead space" before and after the actual start and end of the program music) may not exceed two (2) seconds. We prefer that there be NO leaders or trailers at all. Excessive leaders and trailers may disrupt the playing of the music during competition.

Competitors must also bring a copy of their competition music on CD as a backup in case of technical difficulties and must be turned in at the registration desk at the time of check-in.

Only CDs (standard CD-R format only) will be accepted. CD-RWs will NOT be accepted due to compatibility issues. CDs must be clearly marked with the competitor's name, event, and running time. CDs must only have one piece of music per CD. The official competition CD turned in at the Registration Desk is reserved for use during the event and may not be retrieved for Practice Ice use.

Please keep additional copies of your music readily available for both practice ice and rink side during competition events. Music may be picked up at the registration desk following each event. Every reasonable care will be taken, but the SJFSC cannot be responsible for music left at the end of the competition.

**Music issues during a performance** – In most situations the event referee will NOT stop a performance due to music skipping, poor quality, music stops completely, incorrect tempo or similar issues. For such situations during a performance, the skater should immediately approach the event referee for resolution. Please note rule 1403C of the USFS rulebook: If tempo or quality of the music is deficient, the competitor/couple/team must stop skating and notify the event referee.....Backup music CD must be readily available at rinkside.

## Awards

Medals will be given for 1<sup>st</sup> through 4<sup>th</sup> places and ribbons will be awarded for 5<sup>th</sup> and 8<sup>th</sup> place for each event. All awards will be presented off-ice at the photographer's desk immediately after final results are posted for that event. Medals may be engraved for an additional cost at the time of the awards.

## Pictures and Videos

Videotapes of each event and official awards photos may be arranged through the official event photographer. St. Joseph Figure Skating Club is not responsible for any arrangements made with the professional photographer. Individuals may use only hand held cameras and no rink power outlets may be used. **No flash photography is permitted of skaters on the ice.**

## Merchandise

## U.S. Figure Skating Nonqualifying Competitions

### EVENT: Compete USA Showcase Events

Format: Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted. 6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

**Showcase categories may include:**

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Showcase program utilizing intense emotional skating quality to depict choreographic theme.
- Light entertainment: Showcase program emphasizing such choreographic expressive qualities such as comedy, love and mime while incorporating skating skills.
- Duets: Theatrical/artistic performances by any competitors.
- Mini production ensembles: Theatrical performances by three to seven competitors.
- Production ensembles: Theatrical performances by eight to 30 skaters. Theater On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.

**General event parameters:**

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

\* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on [www.usfigureskating.org](http://www.usfigureskating.org).
