ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6 skaters** must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ENTRIES AND FEES

- **\$55.00 for the first event. \$15.00 for each additional event**
- **NO refunds after closing date** unless the event is cancelled by KMFSC and with a written medical excuse from your physician.
- An online entry system with secure card payment is being used for this competition. **All registration will be done online through [EntryEeze](#).** All entries must be done online and skaters must be registered **by midnight November 4, 2018**. Late entries will be accepted only if the limit has not been reached, at the discretion of the organizers, and will be subject to a \$20 late fee. You will be assessed an additional \$25 for all checks that are returned, and the skater will only be allowed to compete if payment is subsequently made in cash or money order.

AWARDS – Results will be posted in the lobby area after skaters have skated their event. It may take anywhere from 5-20 minutes to post the results. Everyone will receive an award. All events will be final rounds. All awards will be made at appropriate times throughout the competition.

SCHEDULE OF EVENTS – Will be posted on the [EntryEeze](#) website – approximately four to five days prior to the competition. All skaters should arrive 1 hour prior to their scheduled event. All competitors must check in at the registration table in the lobby.

PRACTICE ICE - Practice ice and times will be for sale on the [EntryEeze](#) website.

MUSIC - The music for all free skating programs must be provided on CD's by the skater. CD's should be clearly marked with the name of the skater, event entered and length of music (not skating time). Only one piece of music per CD. Competition music is to be turned in at the time of registration. Time duration is always +/- 10 seconds. Please remember to pick up your CD from the registration table following your event.

Note: This is a Compete USA set up under the guidelines of the Compete USA Competition Manual. Judges **WILL NOT** be Official U.S. Figure Skating Judges.

The Compete USA competition may use qualified skaters and/or instructors who are 16 years of age or older and/or persons who are trial judging for appointments. See Compete USA Competition Manual.

2018 U. S. Figure Skating Wisconsin Compete USA Series

Mission Statement: To give Wisconsin skaters a chance to develop their skating skills in a fun, competitive environment.

Skaters will have the chance to compete in a series of competitions with consistent rules and format and earn points for a final standing. Awards will be presented to skaters with the highest point totals when they compete in at least two of the scheduled events. Skaters' point accumulation can be found at <http://fscouncilwisconsin.weebly.com>. Medals will be awarded by mail approximately 1 month after the last Series competition of the year.

Series Point System

The Free Skating and Compulsory/Elements events in each of the Series Competitions will be eligible for accumulating points. Each event will have a maximum of 6 skaters. The system for scoring points for the final award will be as follows:

Place	Points
1	6
2	5
3	4
4	3
5	2
6	1

If an event has 2-6 skaters, the points will be awarded as if 6 skaters were in the group. If only one skater is in the group, that skater will be awarded 3 points. Points are accumulated for Compulsory and Freeskate. Skaters may participate in both events, but will only be awarded points from their highest placing event at the competition.

A skater may participate in either the element/compulsory events and/or freeskating events in any Wisconsin Compete USA Series competitions to be eligible for accumulating points.

All skaters who participate in at least 2 of the following events:

- Basic 1-6 Elements or Program with music
- Pre Free Skate and Free Skate 1-6 Compulsory Moves or Free Skate
- Beginner & High Beginner Compulsory or Free Skate
- No Test Compulsory or Free Skate
- Excel Pre-preliminary Test Track & Well Balanced Compulsory or Free Skate
- Excel Preliminary Test Track & Well Balanced Compulsory or Free Skate

will be eligible to win an award with an overall total of points. Medals will be awarded (1-3 place) at each level. Jumps, Spins, Dance, Pairs, Artistic, Adult, and Synchronized Team events will NOT earn points in the Series.

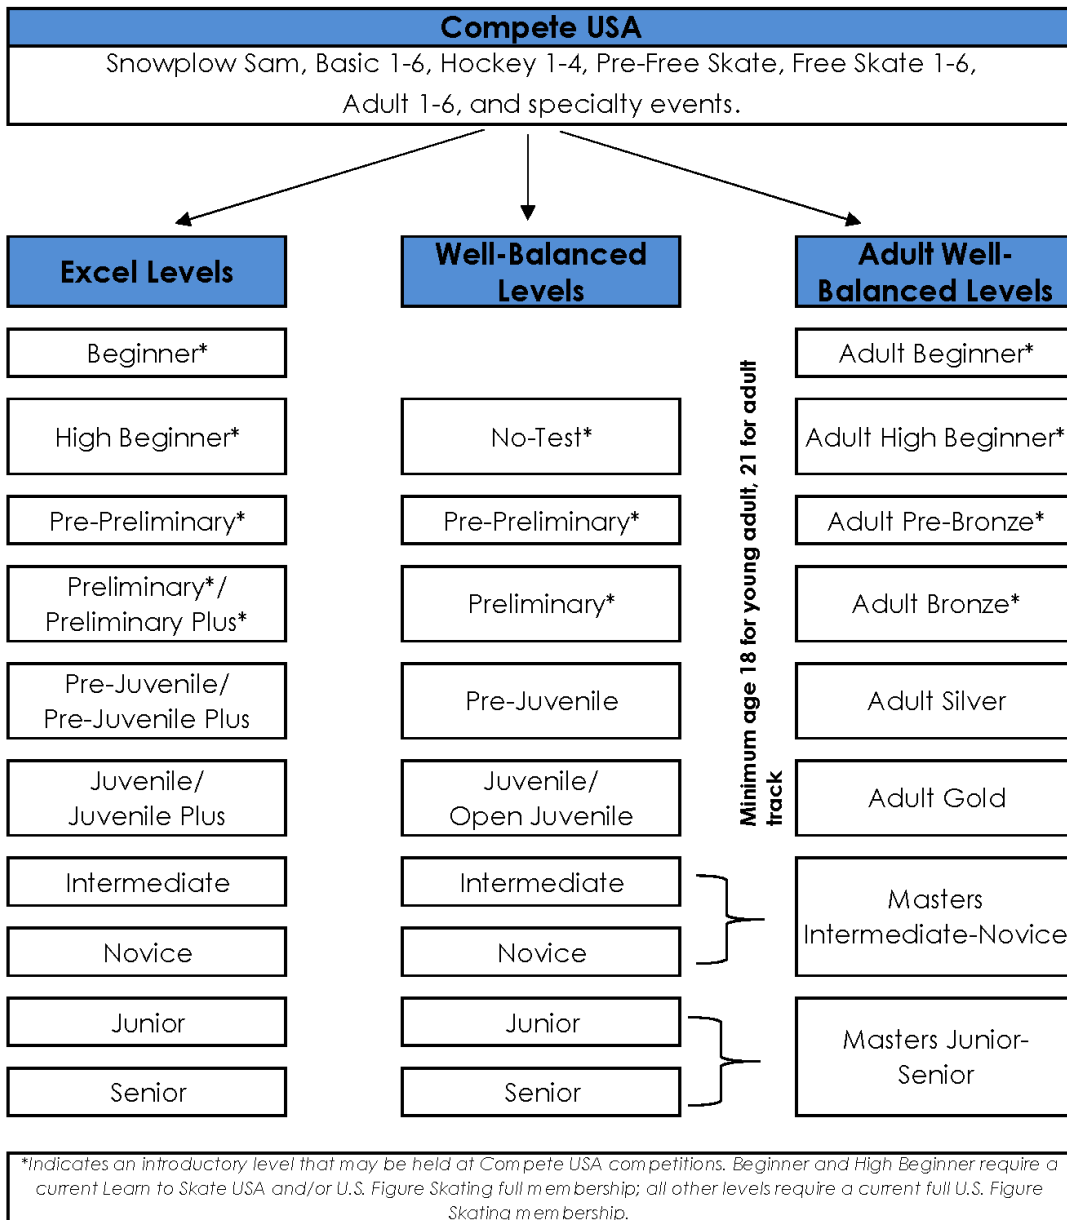

Skaters moving to the next level during the Series will take their points with them and earn a one-time 3-point bonus.

COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well-Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well-Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

*Indicates an introductory level that may be held at Compete USA competitions. Beginner and High Beginner require a current Learn to Skate USA and/or U.S. Figure Skating full membership; all other levels require a current full U.S. Figure Skating membership.

Invite the Hockey 1-4 participants plus members of the local hockey association by creating fun and challenging skills competition. Ages should be divided by 8 & under, 10 & under, 12 & under, 14 & under, 16 & under, 18 & under, and adult. These age groups may be combined based upon number of entries.

Hockey 1-4 Elements: Each skater will perform each element when directed by a judge or referee. The following elements have been chosen for the skaters to perform. Format choice: All skaters perform first element before moving on to the next and so on **OR** each skater performs all of the required elements before moving on to the next skater.

- To be skated on 1/3 to 1/2 ice
- **All elements must be skated in the order listed**
- Time: 1:00 or less

<p>Hockey 1</p> <ul style="list-style-type: none"> • Proper basic hockey stance, forward and backward • March forward across the ice, 8-10 steps • Two-foot glides and dips from forward marching • Forward swizzles / double C-cuts (4-6 in a row) • Stationary Snowplow Stop 	<p>Hockey 3</p> <ul style="list-style-type: none"> • Forward C-cuts (1/2 swizzle pumps) on a circle, both directions • Forward outside edges on half circles, alternating feet on the axis • Forward inside edges on half circles, alternating feet on the axis • Backward C-Cuts on a circle, both directions • Backward snowplow stops, one foot and two feet V-stop

Hockey Skills Challenge: Have skaters complete each of the five following skills competitions. Set up each station according to the descriptions below. Skaters earn points upon placement in each station (First place - 5 points, second place - 4 points, third place - 3 points, fourth place - 2 points, fifth place - 1 point). Highest combined total wins.

1. Shooting: Using a “shooter tutor,” give each skater 10 pucks to shoot into the five holes. Alternate each shot into the different holes in the tutor. Most number of hits wins.
2. Fastest Skater: Starting at the center red line, have skaters complete one lap around all of the dots and behind the nets. Set up cones on each red dot to outline to course. 2-4 skaters can race at a time at different sides of the red line. Use stop watch. Fastest skater wins.
3. Stick Handling: Place two rows of staggered cones down the length of ice. Have skaters stick handle through the cones down one length and back again. Shortest time wins. A missed cone is a 5-second penalty.
4. Agility: Set up an obstacle course with cones for forward and backward skating, turns and stops. Fastest skater wins.
5. Passing: Set up stationary targets (i.e. cones, bucket, mini-net) 25 feet away from starting line. Give each skater 10 pucks to try to hit each target. Highest number of hits wins.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Costuming and make-up for showcase programs should enhance the feeling created by the performance, and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories, or anything else that may fall to the ice and be hazardous to the skaters are allowed. A 0.1 deduction will be taken. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for each ten seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- Light entertainment: Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- Duets: Theatrical/artistic performances by any competitors.
- Mini production ensembles: Theatrical performances by three to seven competitors.
- Production ensembles: Theatrical performances by eight to 30 skaters. Theater On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.

INTERPRETIVE

Competition Format

The Organizing Committee must pre-select and edit musical choices appropriate for these events. During the warm-up, skaters will hear the selection of music twice. Following the warm-up, all skaters except for the first skater will be escorted to a soundproof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

Levels: Levels should be broken by ability with ages divided appropriately.

Judging Rules: Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression.

Spins and jumps performed must be appropriate to competition level.

Time: Music Duration: Pre-Free Skate - No Test: 1:00 Max

If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.

3. This will be followed by a one (1) minute individual warm-up for the elements.
4. Teams will be directed to find a "base" for their team along the boards on the ice where they will stay for the remainder of the event.
5. The announcer, referee or judge-in-charge will call the first element (e.g. jump or stop) to be performed.
6. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
7. Once all the teams have had their skaters complete the element, the next element will be called.
8. Judging is done with one mark for each element (skater) for total team points.
9. Repeat #4-7 above as this will be done in sequence until all the elements at each level are completed.
