

## **2018 LeeAnn Miele Synchronized Skating Open Information for Skaters, Coaches, and Parents**

### **Location:**

Schneider Arena is located at 331 Huxley Avenue, Providence, RI, 02908. For easiest access, drive on Huxley Avenue until you reach the security gate. Tell the guard that you are going to Schneider Arena. You will be directed to the parking garage, which is close to the Schneider entrance. Parking is also sometimes available right on Huxley Avenue, but that is not guaranteed.

NOTE: The gate on Admiral Street will not be open.

### **Admission:**

#### **For IJS events:**

Doors will open at 11 a.m. Skaters and spectators should use the entrance that is closer to the parking garage. Due to the short duration of the IJS events, tickets will be available at the door at a cost of \$5 per person for IJS events only. There will be no charge for children under the age of three. Admission must be paid by either cash or check. We are not accepting credit cards.

#### **For 6.0 events later in the day:**

Teams who have practice ice between 5:30-6:15 p.m. should check in at the lower level entrance of Schneider Arena, the one facing Huxley Avenue. This entrance is closest to the dressing rooms and will allow us to avoid any issues with the varsity hockey game that will be in progress.

All other teams will check in using the entrance that is closer to the parking garage.

Doors will open for spectators at 5 p.m. Please note that a varsity hockey game will be taking place during the afternoon. Spectators will not be allowed to enter Schneider Arena before 5 p.m. Please plan accordingly.

Tickets will be available at the door at a cost of \$13 per adult and \$7 for children under the age of twelve and seniors (sixty and over). There will be no charge for children under the age of three. Admission must be paid by either cash or check. We are not accepting credit cards.

Please note that admission must be paid upon entering Schneider Arena, including times when team practices are being conducted.

#### **Team-check-in and credentials:**

Team check-in will take place in the same area as the spectator entrance. Teams should indicate who, other than the coach, is authorized to check in and pick up the team envelope. The envelope contains credentials for skaters.

**Important information for team chaperones:**

Per USFS:

In order to receive a chaperone credential, each team manager and team service personnel must have completed the SafeSport Training and successfully passed a background check. Those that cannot produce proof that these have been successfully completed will not be provided a chaperone credential.

Team managers and team service personnel will be asked to pick up their own credentials. These credentials are only to be used by the team manager and team service personnel who originally picked them up and may not be shared. Anyone found using a credential, not on the approved compliance list, will have their credential privileges revoked for the duration of the competition and be brought to the attention of U.S. Figure Skating and the Ethics Committee.

**Coach check-in:**

Coach IDs will be distributed in accordance with the procedures set by U.S. Figure Skating.

Please note that in addition to competition personnel, the only people who are allowed down at the ice level or dressing rooms are coaches, chaperones and skaters. There will be no exceptions.

**Concessions:**

Schneider Arena concessions stands will not be open.

Restaurants in the area are:

Anthony's Italian Deli, 712 Admiral Street, Providence

McDonalds, 736 Branch Ave., Providence

Wendy's 391 Charles Street, Providence
