2018 Gardens Ice House Winter Open

Monday, January 15th, 2018

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Freeskate, Free Skate 1-6, Test Track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

Deadline Date: Entry deadline is **December 15th, 2017**. Visit www.entryeeze.com to register. There will be **no refunds after the close of entries** except events canceled by the Local Organizing Committee (rule #3235). **Late entries may be accepted at the discretion of the competition committee and may require an additional \$30.00 late fee.** We reserve the right to combine groups when applicable and limit the number of entries on a first come, first served basis. Single entrants will be judged against the test standard. Walk in registration will not be accepted. Refunds will not be issued due to weather conditions.

Competition Information

Payment: Visa and MasterCard accepted

Entry Fees: \$50.00 first event
\$20.00 for each additional event.

There will also be a \$30.00 change of event fee if you need to alter your event after the close of entries.

Rink: The competition will be held at The Gardens Ice House. The competition events will be held on an NHL surface measuring 85' x 200'. Individual skills events will be held on Whitey's Pond, an outdoor rink, open to the elements, measuring 90' x 44'. Please wear appropriate clothing if your events are scheduled for this surface.

Schedule: Will be posted on our page at <http://www.entryeeze.com> and at www.thegardensicehouse.com as soon as possible after the close of entries. Schedules will not be mailed.

Music: CD-Rs must be clearly marked with the skaters name and turned in to the registration desk at least one hour prior to the event. It is the responsibility of the skater to have a backup CD in your possession. Competition officials are not responsible for the condition of your CD.

Registration Desk: The registration desk will be open throughout the competition. Skaters **MUST** check in at least one hour prior to the event. It is not unusual for a warm-up for more than one event to be combined. In addition, events frequently run early, so **BE READY** with skates on before the event is called!

Awards: All events will be final rounds. Medals or ribbons will be awarded to all skaters participating. Awards Ceremonies will be held throughout the competition. Ceremony times will be posted on the competition schedule

Practice Ice: Will be provided, if time allows and will be determined after the close of entries and announced on the website.

Applications: Applications may **NOT** be mailed. All entries must be made through out competition page at www.entryeeze.com.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Non-qualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up

INTERPRETIVE

Competition Format

The Organizing Committee must pre-select and edit musical choices appropriate for these events. During the warm-up, skaters will hear the selection of music twice. Following the warm-up, all skaters except for the first skater will be escorted to a soundproof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

Levels: Levels should be broken by ability with ages divided appropriately.

Judging Rules: Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression.

Spins and jumps performed must be appropriate to competition level.

Time: Music Duration: Pre-Free Skate - No Test: 1:00 Max
Pre-Preliminary - Preliminary: 1:00 Max

Coaching: There is to be no instruction allowed during this event from coaches, parents, or fellow skaters. Staging area must be kept clear except for ice monitor and listening competitor.

SOLO PATTERN DANCE

General event parameters:

- Levels are based upon the skaters' highest pattern dance test passed.
- A solo pattern dance competition event will consist of the skater performing two solo pattern dances.
- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.

TEAM COMPULSORY

Format:

The designated skater from each team will perform their chosen element in sequence on full ice, with no music, and will follow this format:

1. Minimum of three skaters on a team; each skater will do at least one required element.
2. When the event is called, all skaters will take the ice for a two (2) minute STROKING ONLY warm-up.
3. This will be followed by a one (1) minute individual warm-up for the elements.
4. Teams will be directed to find a "base" for their team along the boards on the ice where they will stay for the remainder of the event.
5. The announcer, referee or judge-in-charge will call the first element (e.g. jump or stop) to be performed.
6. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
7. Once all the teams have had their skaters complete the element, the next element will be called.
8. Judging is done with one mark for each element (skater) for total team points.
9. Repeat #4-7 above as this will be done in sequence until all the elements at each level are completed.

SYNCHRONIZED SKATING- SNOWPLOW SAM SYNCHRO, SYNCHRO SKILLS 1-3, PRELIMINARY

The emphasis of the Learn to Skate USA synchronized skating competition is on mastering the Synchro Skills of synchronized skating:

- Unison of body alignment, and learning to guide with the head.
- Control of rotation in wheels and circles.
- Straight lines in lines, blocks and intersections.
- Learning how to transition within elements with ease and clarity.
- Incorporating skills from Basic 1-6, Pre-Free Skate and Free Skate 1 to strengthen skating skills.
- Learning skills that will be the foundation for higher levels.
- Demonstrate ability to recognize and skate to the tempo of the music.

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating (see program requirements).

Eligibility Rules: All skaters on the team must either be full U.S. Figure Skating members or members of the Learn to Skate USA program. All Learn to Skate USA Synchronized Skating teams must be registered with U.S. Figure Skating and have a team number.

In order for the team to be eligible for Snowplow Sam Synchro or Synchro Skills 1-3 events, no skaters on the team may have passed higher than a preliminary test (moves in the field, freestyle or dance). The skater's test level is as of the competition entry deadline.

No skater may compete on multiple Learn to Skate USA synchronized skating teams.

Age/Number of Skaters: Varies based on the level. The ages for Learn to Skate USA synchronized skating teams are as of the preceding July 1. If the majority of the team is younger than the listed age, consider skating "up" to the level that best meets the skaters' skill levels.

Each Synchro Skills team may have between 8-16 skaters. A Snowplow Sam Synchro team may have between 5-12 skaters. Teams may have a maximum of four alternates listed on their roster, in addition to the maximum number permitted on the ice for their respective level.

Costume Rules: Learn to Skate USA synchronized skating teams should follow **Rule 7022 Clothing and Equipment** (U.S. Figure Skating Rulebook) when selecting their clothing for competition.
