

2019 Eastern Sectional

U.S. Figure Skating Championships

VENDOR AGREEMENT

Triangle Figure Skating Club of North Carolina is pleased to host the Eastern Sectional Championships on behalf of U.S. Figure Skating on November 13-17, 2018 at Polar Ice House at the Factory. This is the final event for skaters in the top divisions of singles, pairs and ice dance to qualify for the 2019 U.S. Figure Skating Championships. The event draws over 200 skating families and coaches from Maine to Florida as well as over 300 local skating club members and numerous spectating fans.

TFSCNC would like to invite you to promote your products and/or services by reserving vendor space in the grand hallway of The Factory. Polar Ice House @ the Factory sits in the middle of a large complex including shopping, restaurants and sports/entertainment venues. The grand hallway connects these facilities and is a premier vending space with exposure to all who enter the facility. The Factory is open 24 hours a day with security during the evening hours. More information and a map of the facility may be found at: www.eatshopplay.com.

Vendor units in the grand hallway of The Factory are approximately 6-8 feet deep by 8 feet wide which can be reserved in a configuration of one or two units. There are large support beams at approximate 18 foot intervals as part of the original building structure. Single and double units will be placed on either side of the rink entry. Larger 3 unit spaces will be a bit farther from the rink entry but close to The Factory facility doors and would require individual contracting.

Per U.S. Figure Skating and the United States Center for Safe Sport (S.1426), it is recommended that all clothing vendors with in-booth closed changing areas complete Safe Sport training (<https://athletesafety.org/training/index>) and a national background check and provide evidence of such to the Triangle Figure Skating Club Local Organizing Committee. Please submit this information to Beth Campbell : campbellba4@gmail.com
