COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well-Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well-Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

*Indicates an introductory level that may be held at Compete USA competitions. Beginner and High Beginner require a current Learn to Skate USA and/or U.S. Figure Skating full membership; all other levels require a current full U.S. Figure Skating membership.
