Registration:

Music:

Online music submission is the **ONLY** acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting "My Music." Please be sure you are uploading the correct music for the correct event segment.

Deadline for uploading music is Sunday, June 23rd.

The uploaded program music **MUST** conform to the following specifications:

- Programs per file: One [1] - Only one piece of competition program music (e.g. Free Skate) per file is allowed.
- File Format: mp3 - The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to "mp3" from another file format is not acceptable.
- Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).
- Maximum file size: 10 MB
- Maximum run time: Five [5 minutes]
- ID3 Metadata [tags]: None - The Chief Music Coordinator strongly recommends that mp3 files **DO NOT** contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, **NO EMBEDDED IMAGES!**
- Maximum leader: Two [2] seconds] - The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator recommends that there be **NO** leader.
- Maximum trailer: Two [2] seconds] - The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator recommends that there be **NO** trailer.

Backup Music at Event (CDs):

In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs. PLEASE, no CD-RWs!

The LOC, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. The LOC is not responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

Penalty for Incorrect Music or Failure to Upload Music:

The LOC will assess each competitor/team an additional charge of \$10 per event segment if the competitor/team: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). The competitor/teams will not receive their credentials at registration until they pay the penalty fee and turn in their music on CD, conforming to the requirements above.

Entry Verification / Coach Approval / Entry Change Fee:

The information on the entry must be accurate and complete. Coaches must either approve the entries that have been entered or send back a message correcting the entry prior to Wednesday, June 12th.
