**Age restrictions/requirements:** Singles free skate (well-balanced program) and short program events have the following requirements. Skater's age on the entry deadline will be age used for age restricted events.

A skater may enter only one event in each discipline, e.g. Free Skate, Short Program, and skaters may not enter both a well-balanced free skate event and an Excel free skate event at the same competition. A skater may enter as many Showcase events as desired as long as the skater meets the eligibility requirements for all Showcase events entered.
