2023 Spring Jubilee will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the [current rulebook](#), and/or current Compete USA handbook as well as any pertinent updates that have been posted on the U.S. Figure Skating [website](#).

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules.

Skaters must be a currently registered member of a U.S. Figure Skating member club, Skate USA member (for Skate USA events), a collegiate club or who is an individual member in accordance with the current rulebook. For non-U.S. citizens, please refer to the [rulebook](#) for more information.

COVID-19 INFORMATION:

For the most recent U.S. Figure Skating COVID-19 policy requirements, [CLICK HERE](#). **This policy may be subject to change and may not represent the guidelines in place on the day of competition. It is the responsibility of the attendees to check for the most up-to-date information. All attendees must also comply with the most current Solar4America Ice Rink Covid-19 policies.**

SERIES INFORMATION:

2023 Spring Jubilee is approved by US Figure Skating as part of the Excel Series. Please refer to the 2023 [Excel Series Handbook](#) for current Series rules, levels, music, costume and event requirements.

II. ELIGIBILITY

TEST LEVEL:

For competitions held after December 1, singles athletes may register based their highest test passed as of the entry deadline OR the level of their paid EMS Series Application for the National Excel Series (Excel) which will establish the athlete's competitive level ("floor") deadline.

For example, if an athlete passed their junior free skate test in November and competed in the 2022-23 NQS as a Novice from July - September, they may register for either novice or junior in excel or well-balanced events. The novice level will remain their **competitive floor** until they complete an EMS Series Application at the junior level or higher for NQS or Excel. For additional information on these eligibility updates, click [here](#).

Eligibility Notes:

1. The singles free skate test levels will remain as a minimum requirement to compete.
2. Athletes may not skate down in any event.
3. This update does NOT apply to Adult and Showcase events or to Specialty events.

AGE RESTRICTIONS / REQUIREMENTS:

Singles free skate (well-balanced program) and short program events have the following age requirements. Skater's age on the entry deadline will be age used for age restricted events.

Juvenile: Girls – 12 years or younger; Boys – 13 years or younger

Open Juvenile: Girls – 13 years or older; Boys – 14 years or older

Intermediate must be under the age of 18

Young Adults must be 18 – 20 yrs

Adults must be 21 years or older

Skaters entering pre-juvenile and lower events will be divided as closely as possible by age should the number of entries warrant more than one group.

All showcase events and adult events may combine genders depending on the number of entries and at the discretion of the chief referee.

A skater may enter only one event in each discipline, e.g. Free Skate, Short Program, and skaters may not enter both a well-balanced free skate event and an Excel free skate event at the same competition.

A skater may enter as many Showcase events **as desired as long as the skater meets the eligibility requirements for all Showcase events entered.**

If an athlete, coach, parent and/or guardian needs assistance with confirming their eligibility, email events@usfigureskating.org.
