The Seventh Annual Eau Claire Compete USA Competition sponsored by The Eau Claire Figure Skating Club will be held at Hobbs Ice Arena on November 18, 2017.

### **ELIGIBILITY RULES FOR PARTICIPANTS**

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Learn to Skate USA program/club or any other Learn to Skate USA program/club.

Eligibility will be based on skill level as of closing date of entries. All SNOWPLOW SAM AND LEARN TO SKATE USA SKATERS THROUGH BASIC 6 must skate at highest level passed or one higher and NO official U.S. Figure Skating tests may have been passed including Moves in the Field or individual dances.

For the Test Track and Well Balanced levels, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher but not both levels in the same event during the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

**ENTRIES AND FEES** -All entries must be completed through EntryEeze or postmarked no later than October 21, 2017. Late entries will be accepted only if the limit has not been reached, at the discretion of the organizers. A late entry fee of \$25 will be applied to any late entries. Entry fees are per person, U.S. dollars. The first event is \$45 and each additional event is \$25. NO refunds after closing date unless event is canceled by Eau Claire Figure Skating Club. **ENTRY FORMS MUST BE FILLED OUT COMPLETELY** and returned with fee, check made payable to The Eau Claire Figure Skating Club. There will be a fee for returned checks.

**AWARDS** – Everyone will receive an award. All events will be final rounds. All competitors will receive medals. ALL awards will be made at appropriate times throughout the competition.

**SCHEDULE OF EVENTS** - Will be posted no later than November 13, 2017.

**PRACTICE ICE** - Practice ice will be available through EntryEeze or at the rink on the day of the competition. Pre-purchased practice ice is available for the cost of \$8.00 per session. A maximum of 22 will be allowed on the ice during any one session. Additional practice ice may be purchased at the rink for the cost of \$10.00 per session. **No refunds issued for unused practice ice sessions.**

**MUSIC** - The music for all free skating programs and showcase must be provided on CD's by the skater. CD's should be clearly marked with the name of the skater, event entered and length of music (not skating time). Competition music is to be turned in at the time of registration. Time duration is always +/- 10 seconds.

**PHOTOGRAPHS** -. Photographs may be taken of all individual children . We will have a backdrop for award pictures. Depending on availability we may have a professional photographer available.

# LEARN TO **SKATE** USA

## ILLUSTRATION OF THE PROGRESSION THROUGH THE LEVELS OF U.S FIGURE SKATING

Singles athletes begin with the Learn to Skate USA program, then progress to the "introductory levels," and finally choose whether to follow the test track or Well Balanced program category. Athletes may choose to move between test track and Well Balanced program at any point.

**LEARN TO SKATE USA PROGRAM**

Competition levels for skaters within Compete USA include:  
Snowplow Sam  
Basic 1-6, Adult 1-6, Hockey 1-4  
Pre-Free Skate and Free Skate 1-6

Skaters may begin or advance to the "introductory levels," which are an introduction to competitive figure skating.

Once skaters have competed at the introductory level, and begin the official U.S. Figure Skating test structure, they may then choose whether to enter the "Test Track Free Skate" or "Well Balanced Free Skate" program. Test requirements for both categories are the same, it is completely the choice of the athlete which track to follow.

### SHOWCASE EVENTS:

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.1 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

\* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on [www.usfigureskating.org](http://www.usfigureskating.org).

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
