As many of you know from experience, these times are approximate. Our goal is to keep the schedule moving while allowing each skater the time he/she needs to properly complete the test. We appreciate your patience and understanding. We will not wait for absent skaters. Missed tests will not be refunded and would be allowed at the end of the day if there is time remaining.

Freestyle tests requiring music (preliminary and above): If you are an ECFSC member, we will pull your music for testing. If you are joining us from a different club, please turn in your CD (must contain only one track and be recorded on CD-R media, no CD-RW's) to the test chair as soon as you arrive.

Remember to bring a back-up copy of your CD.

Good luck with your test!

Please contact me immediately if you have any questions or an insurmountable conflict with the schedule.
