Additional Information

This one-day course is a recommended resource that provides introductory strategies to optimize your teaching potential and to successfully navigate the business of coaching. On and off ice sessions allow new and experienced coaches to develop the strong foundation of tools and resources so necessary for building a healthy coaching business. Upon successful completion of the course, you earn an FCC Certificate, the equivalent of the Basic Accreditation (BA) exam. This accomplishment permits you to advance to your first Oral Rating in the discipline of your choice!
