Falling Leaves will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, as well as any pertinent updates which have been posted on the U.S. Figure Skating website.

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. Citizens.

ELIGIBILITY/TEST LEVEL:

Test level: Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event. Skaters who placed in the top four in a final round of their last qualifying competition in their divisions must move up one level, except for novice and higher.

Age restrictions/requirements: Skaters entering Juvenile free skate events (Well Balanced Program) must be under 14 years of age at the close of entries. Skaters entering Open Juvenile free skate events (Well Balanced Program), must be at least 14 years of age at the close of entries.

Skaters entering beginner–pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one group.

Eligibility for Compete USA events:

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. There will be no more than six competitors maximum in an event.

Eligibility and Test Requirements: Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic Skills 1-6 skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances. For the Pre-free skate, free skate 1-6, test track and Well Balanced levels, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

ENTRIES: All entries will be made online with a secure credit card payment at:
www.EntryEeze.com

Online entries must be completed by midnight on August 11, 2017. No paper

entries will be accepted. Late entries may be accepted at the discretion of the competition committee. If accepted, a late fee of \$25 will be assessed. The competition committee reserves the right to limit entries to any event or to cancel an event based on time restrictions.

INFORMATION REGARDING COACHES:

U.S. Figure Skating Rule MR 5.11 Coach Registration

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.
- C. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.
- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Learn to Skate USA ONLY coaches - Any person, 18 and older, instructing a Learn to Skate USA Program must have successfully passed the annual background screen and be registered as a Learn to Skate USA instructor.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without proper registration is an ethics violation which is reported to U.S. Figure Skating and PSA.
