## The 89<sup>th</sup> Annual Middle Atlantic Figure Skating Championships September 11-14, 2014

Presented by: **The Skating Club of New York, Inc.**  
Sanctioned by the United States Figure Skating Association

**WHEN:** Thursday - Sunday: September 11-14, 2014

**LOCATION:** Sky Rink at Chelsea Piers, 23rd Street and the Hudson River, New York, NY 10011

**WHO MAY COMPETE:** Events are open to all members in good standing of the United States Figure Skating Association. The competition committee reserves the right to limit the size of each group or to combine or divide groups. The committee may eliminate events due to insufficient entries or ice time limitations.

**ELIGIBILITY:** As prescribed for the 2014-2015 Regional USFS Championships with the following exception: If test is pending on date of entry, please note on application and advise us by August 23rd if you will be skating a level other than you applied for.

Non -Qualifying Event Skaters (No-Test thru Pre-Juvenile) may "skate up" one level.

**SPECIAL EVENTS INTERMEDIATE AND NOVICE FREE (LONG) PROGRAM ONLY EVENTS:** At Mids, **Intermediate and Novice Ladies qualify with their short program**; as a result, only those who move on to the final round are asked to skate their long program. Because there are many more skaters who would like the opportunity to skate their long programs, SCNY offers Intermediate Ladies Free and Novice Ladies Free Program only events. **Intermediate and Novice ladies may enter the traditional combined event, the Free Program Only Event, or both.** The Free Program Only Events are scheduled for Thursday; the qualifying rounds for the combined events are on Friday. (Please note that results from the Free Program only Events have no bearing whatsoever on the combined events).

These Free Program Only Events are ideal for skaters who want to skate a long program only, those who want to ensure they'll have the opportunity to skate both programs, and skaters expecting to reach the final round of the combined event who want to have their long program judged two days before they skate it in the final round

**PRELIMINARY & PRE- PRELIMINARY TEST TRACK:** We are offering 2 TEST TRACK events. Eligibility will be based only upon highest free skate test level passed. Skaters may skate at highest level passed OR one level higher.

**ICEMEN SECTIONAL COMPETITION EVENT:** The Icemen Sectional Series is a competition series for boys competing in the following levels: no test, pre-preliminary, preliminary and pre-juvenile well balanced free skate. This Series will be for free skate events only. **Middle Atlantic is a designated competition.** Boys may compete in any number of competitions they wish, in or outside of their region, however, only their top two scores will be counted for final placement in the Series.

### **TEAM COMPETITION for Pre-Juvenile and Below**

In the spirit of the Olympic Figure Skating Team competition we are continuing our Team Competition at Mids. We are asking skaters to indicate their home rink. That will be the team that you skate for. Many of you skate at multiple rinks, the choice as to which rink you represent is yours. That is all you need to do, there are no additional events or fees. The winning team will be awarded a trophy to take home to their rink. We will calculate the winning team.

**PRACTICE ICE: 15 MINUTE OFFICIAL PRACTICE ICE SESSIONS ARE INCLUDED IN THE ENTRY FEES FOR JUVENILE THROUGH SENIOR LEVEL SKATERS. THE PRACTICE SESSIONS WILL BE ASSIGNED WHEN THE SCHEDULE IS POSTED.** Additional practice ice may be purchased through Sky Rink at Chelsea Piers. The additional practice ice will be posted on the club website as soon as it is available. Please call the rink directly (212) 336-6100 ext. 0

**SCHEDULE:** Schedules will be posted on Entryeeze and our website ([www.thescny.org](http://www.thescny.org)) approximately one (1) week prior to the start of the competition. Schedule will not be mailed.

**MUSIC:** All competitors must bring their program CDs labeled with the competitor's name and event. Make sure that each program is on its own CD and there is only *one (1) recorded track* on the CD. **The CD MUST be in standard CD Digital Audio format.** CD's in any other format, including but not limited to mp3, wav, wma, aiff, aac, etc will NOT play. Lead in time (time before the music begins) on CDs may not exceed two (2) seconds. Due to compatibility and reliability reasons, **music may NOT be submitted on re-recordable "CD-RW" discs.** CDs should be turned in at the registration desk upon checking in. Please bring two CDs for each program in case of a problem. **NO Tapes will be accepted.** *MUSIC WITH VOCALS WILL BE PERMITTED for Short and Free Skate programs up to and including the Intermediate level only.*

**AWARDS:** Medals will be awarded for 1st, 2nd, 3rd & 4th place in the final rounds and in the qualifying rounds for Juvenile, Intermediate and Novice Ladies.

The **LUCY CURLEY JOYCE BRENNAN** Trophy will be given to the Junior Ladies Champion.

The **ANNE GERLI** Trophy for Juveniles will be given to the Juvenile Girls and Boys Champions.

**RINKS:** East Rink - 185' x 85' (Main Rink); West Rink - 195' x 95'
