Dear skaters, coaches, and supporters of adult skating,

Thank you for participating in the 2017 New Year's Invitational. This is the 16th consecutive year that the Washington Figure Skating Club has hosted this adult skating competition. We are glad you are here – whether you are here for the camaraderie of fellow adult skaters, for a chance to shake off nerves in a competitive setting, for a dress rehearsal for adult sectionals and/or adult nationals competitive performances, or to cheer on your family and friends.

The Washington Figure Skating Club has been a US Figure Skating member club since 1938. The club has a large contingent of active competitive adult skaters: at the 22nd Adult Figure Skating Championships held in 2016 hosted by Ann Arbor Figure Skating Club, 10 skaters represented WFSC and the club won the inaugural Large Club Team Award. Many of these competitors are competing at this year's NYI as well.

We appreciate everyone who has worked tirelessly to support the NYI. Thank you to those who volunteered after we went to press, to anyone we forgot to include, and to those of you who volunteered on the spot – you are all terrific!

Sincerely,

Judy Reiner & Ellyn Kestnbaum - co-chairs of the 2017 New Year's Invitational
