8:00 am to 5:00 pm**

Host: Alena Lunin alunin@icesports.com

The FCC is a professional development course for both ***new and experienced coaches.***

This one-day course is a recommended resource to provide introductory strategies to successfully navigate the world of coaching and optimize your teaching potential. On and off ice sessions will give a foundation of resources and tools for your business of professional coaching.

Upon successful completion of this course the coach receives a certificate of completion and equivalency for the Basic accreditation (BA) exam. The coach may enter directly to the registered level of the PSA Rating System.

The participants at the FCC receive a Coaches Manual and **12 PSA educational credits.**
