

COMPETITION NOTES AND REMINDERS

REGISTRATION TABLE

- Will open no less than an hour before the start of events each day.
- You may turn in your music for all events at one time (we encourage it!).

PRACTICE ICE TABLE

- Will open no less than 30 minutes before Practice Ice begins each morning.
- Any remaining Practice Ice will be available for sale for \$22/session during the event.

MUSIC

- We will accept all music at time of registration. Labeled sleeves will be provided, however make sure your name and event is noted on your CDs.
- Have at least 2 copies of your program music on CD in an mp3 format: 1 to turn in at registration, and **1 for your coach to have rink-side during your events.**
- Technology is constantly changing: take care when burning your music to CD. Select slower speed options vs. highest speed burning. Replace CDs with scratches and heavy smudging.
- iPods and cell phones *will not* be permitted for event music.

HALF ICE EVENTS

- Cones will be up in the center of the ice.
- 1 skater will compete on the ice at a time (we are not running events on both ends at the same time)
- **Skaters/Coaches may determine which end of the ice a skater will compete on** and have them practice, warm-up and compete on that end.

- Complimentary critiques will be available for **IJS Freeskate Programs** only.
- Sign up at the registration table any time prior to your FS event; instructions will be provided at that time.
