Dear Skaters, Parents, Family, Friends, Coaches, Officials, Judges, and Fellow Figure Skating Clubs;

Welcome to the 2020 Autumn Skills Competition and Test Session!

The Brooklyn Figure Skating Club is one of the sixteen area clubs in the Greater Cleveland Council of Figure Skating Clubs (GCC) and to offer Autumn Skills as one of the Ohio Learn To Skate USA Series competitions. We would like to give a special thanks to the GCC for the Jump Start Grant that is being used to help us conduct this competition while ensuring skating safety as well as to keep the interest in figure skating and club membership growing during the Covid-19 pandemic.

It takes a village to host a competition and Autumn Skills especially under the current conditions of the ongoing Covid-19 pandemic. It would have not been possible without the tireless dedication and countless hours of volunteer work put in by the entire Brooklyn Figure Skating Club Family including all of our members, parents, coaches, and Board of Directors. Special thanks Treasurer Amy O'Brien, Secretary Grace Demarest, Test Chair Chris Demarest, new Board Members Kristie Hayes, Sara Schmidt & Leslie Smith, Program Chair Lisa Lunde, Head Referee Jamie Hebert, Assistant Referee Donna Cerami, Chief Accountant Shirley Rego, Assistant Accountants Becki Eberle & Beth Roberts, Announcer Bruce Langguth, Music Coordinator Dave Bakkes, and all our talented Judges. THANK YOU ALL for your time and commitment to make this year's competition a success under such difficult circumstances!!

Many thanks to Mayor Katie Gallagher and the City of Brooklyn for their continued support as well as to Jack Abbruzzese, Maria McGinty, Jill Cifranic and all the other city employees whose hard work keeps the Brooklyn Recreation Center & Ice Skating Rink up and running.

Parents, thank you for your tireless support of your child's love of figure skating. The benefits of figure skating extend well beyond physical fitness. Figure skating teaches lessons about setting goals, the pursuit of excellence, how to manage stress and perform under pressure, and how to handle both failure and success. Most importantly, your child is learning about good sportsmanship while developing both important social skills and long lasting friendships.

Thank you in advance for your patience and understanding in following our Covid-19 guidelines as we navigate this unusual and difficult season. We know this year's competition will be different but our upmost goal is to ensure the health and safety of all.

Skaters, we are wishing you all great success this weekend as you compete, test, and showcase the results of your hard work and many hours of practice.

Good Luck, Have Fun, Stay Safe and SK8 GR8!
