This event is a standard U.S. Figure Skating Nonqualifying Competition  
LG/10-1-14

The Reach for the Peaks will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, as well as any pertinent updates which have been posted on the U.S. Figure Skating website.

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. Citizens.

**ELIGIBILITY/TEST LEVEL:**

**Test level:** Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event. Skaters who placed in the top four in a final round of their last qualifying competition in their divisions must move up one level.

Basic Skills Competitions may include events for skaters who have passed no higher than the preliminary free skating, preliminary dance or adult bronze free skating tests.

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic Skills 1-6 and Pre-Free Skate skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances.

For the Free Skate 1-6, eligibility will be based only upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition.

**ENTRIES:** The Peaks Figure Skating Club will be accepting entries online, utilizing EntryEeze.

**Pursuant to US Figure Skating Rule 3235, entry fees will be refunded only if the event is not held.**

### **INFORMATION REGARDING COACHES:**

U.S. Figure Skating Rule MR 5.11 Coach Registration

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.
- C. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.
- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Learn to Skate USA ONLY coaches - Any person, 18 and older, instructing a Learn to Skate USA Program must have successfully passed the annual background screen and be registered as a Learn to Skate USA instructor.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without proper registration is an ethics violation which is reported to U.S. Figure Skating and PSA.
