

SKATE HOUSTON 2016 PRACTICE ICE GUIDELINES

1. If you pre-purchased practice ice with your registration you can select your session(s) beginning Friday, August 12th at 12 noon.
2. All sessions are 20 minutes and skaters will need to check in with the ice monitor. Juvenile - Senior skaters please turn in your music at this time if it is your "official" practice ice.
3. Music will only be played on "official" practice ice for Juvenile and Open Juvenile Free skate events, IJS short program and free skate events for levels Intermediate - Senior. Please refer to the attached schedule for your assigned official practice time. This is also the music play order.
4. Only skaters that pre-purchased practice ice with registration (Juvenile - Senior level) were assigned "official" practice ice in Entry Eeze. If you remove yourself from your "official" ice to a different session we can not play your music. We will not be able to play any additional or "walk-on" music.
5. Skaters will be able to purchase additional sessions on Entry Eeze by logging onto the skater portal page beginning Monday, August 22nd at 12 noon.
6. Skaters are only allowed to skate on sessions designated for the level that they are competing at Skate Houston 2016.
7. If a session is FULL, then a wait list will be started. If there are "no shows" after the warm up, then skaters on the wait list will be allowed on the ice and can pay the ice monitor at that time. "Walk-on" practice ice is \$18.00.
8. Practice ice sales close on Thursday, Sept. 1st at 12 noon. Any leftover slots will be available for purchase at the competition.

If you have questions concerning practice ice, please email Teresa Wilson, Practice Ice Chair at secretary@texasgulfcoastfsc.org or contact us at skatehouston@texasgulfcoastfsc.org and your message will be forwarded to me.
