

SINGLES MOVES IN THE FIELD

General event parameters:

- Skaters who are in the process of learning Moves in the Field may now compete without yet testing. Skaters who have not tested must register in the INTRO level of Pre-Preliminary or the INTO Preliminary.
- A Moves in the Field competition event will consist of the skater performing two moves in the field patterns.
- The skater will perform the two patterns listed for their level,
- Each skater will complete both of their required patterns consecutively in the order listed, pausing briefly in between.
- Refer to the Moves in the Field book
- No music for this event.

Level
