

## 2021 Sweetheart Open Apparel

Hello Skating Families! One of the traditions that make the Sweetheart Open special is our apparel. Many of you stop by our table every year to say hi and get your Ts and fleece items and we see many skaters wearing old Sweetheart shirts at Nationals and other events. While we'll certainly miss seeing everyone in person this year we want to be certain this tradition continues. Please use the link below to order your 31st annual Sweetheart Open apparel. Your skaters will love them and we offer several colors and styles. Orders will be shipped or delivered with your team or individual event medals.

This design will be on the front of all apparel and the backs will include the names of all individual skaters and teams who participate. Colors in picture are not meant to be an exact representation of the final product. *Please note that due to the size of the graphic we will not be able to imprint it on youth Sm & Md hoodies.*

Another unfortunate side affect of 2020 is very low apparel inventories. The manufacturers had cut back and in some cases even halted production and now have been slow to catch up with demand. With this in mind...we reserve the right to use different apparel brands when necessary to complete our order. This could result in variations of apparel color.

This year we will be offering Short Sleeve & Long Sleeve Ts as well as Hoodies and Crewnecks. They are offered in Black, Red or Sport Grey and our prices have remained the same.

**Ts \$20 - LS Ts \$25 - Crewnecks \$30 - Hoodies \$35**  
*add \$2 for sizes larger than XL.*
