North Shore Winter Classic 2018 Synchronized Skating Competition

LEARN TO SKATE USA SYNCHRO SKILLS 1 – 3

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating. (See program requirements.)

Eligibility Rules: All skaters on the team must either be full U.S. Figure Skating members or members of the U.S. Figure Skating Learn to Skate USA program. All Learn to Skate USA Synchronized Skating teams must be registered with U.S. Figure Skating and have a team number.

In order for the team to be eligible for this event, no skaters on the team may have passed higher than a preliminary test (moves in the field, freestyle or dance). The skaters' test level is as of the competition entry deadline.

No skater may compete on multiple Learn to Skate USA synchronized skating teams.

Age/Number of Skaters: Varies based on the level. The ages for Learn to Skate USA synchronized skating teams are as of the preceding July 1. If the majority of team is younger than the listed age, consider skating "up" to the level that best meets the skaters' skill levels.

Each team may have between 8-16 skaters. A Snow Plow Sam Synchro team may have between 5-12 skaters. Teams may have a total of four athletes on their roster in addition to the maximum number permitted on the ice for their respective level.

Costume Rules: Learn to Skate USA synchronized skating teams should follow **Rule 7022 Clothing and Equipment** (U.S. Figure Skating Rulebook) when selecting their clothing for competition.

Coach Compliance: Coaches bringing their Learn to Skate USA synchronized skating team to a Learn to Skate USA competition should have, at a minimum, the Learn to Skate USA Instructor Membership and background check.

Judging System: Synchronized skating events will be judged using the 6.0 judging system

Events offered will be: Snowplow Sam, Synchro Skills 1-3, Preliminary

LEARN TO SKATE USA SYNCHRO SKILLS 1-3

The synchronized competition program is also part of the U.S. Figure Skating Learn to Skate USA program. The Compete USA competition program is for Learn to Skate USA level skaters who are interested in a first competition or “team” experience, taking the Synchro 1-4 badges a step further. Synchro Skills teams compete at Learn to Skate USA competitions and nonqualifying synchronized skating competitions around the country.

The emphasis of the Learn to Skate USA synchronized skating competition is on mastering the Synchro Skills of synchronized skating:

- Unison of body alignment, and learning to guide with the head
- Control of rotation in wheels and circles.
- Straight lines in lines, blocks and intersections.
- Learning how to transition within elements with ease and clarity
- Incorporating skills from Basic 1-6, Pre-Free skate and Free Skate 1 to strengthen skating skills
- Learning skills that will be the foundation for higher levels.
- Demonstrate ability to recognize and skate to the tempo of the music.
