## Love to Skate 2018

Welcome Skaters, Parents and Coaches to Love To Skate

Here are a few tips and a few reminders to have a successful day!

Competition Hours: **to be determined**

Plan to arrive at least 1 hour before your event.

Check in at the Registration Table in the rink foyer. Turn in one copy of your music at the Registration table. Make sure your CD is labeled with your name, event name and event number.

Practice Ice Sessions: **to be determined**

Sign-up for practice ice on [Entryeeze](#) if you haven't already -- additional practice may be available Saturday morning. Check with the practice ice coordinator - **to be named**

Check in with the ice monitor before taking the ice.

Come to the arena dressed for your event. If you are in multiple events, there will be a locker room available for changing.

Please refrain from throwing anything on the ice after a skater skates.  
Medals - After you compete, check the "Results" wall for placements. Head to the medal table to pick up your medal and then head to the photographer for a photo. You are not obligated to purchase a photo. Those group photos

are fun to keep for memories. We will also have a videographer on site who will capture each skater. These videos are for sale.

Check out the [EugeneFSC](#) table in the lobby. We will have event sweatshirts for sale. You will be able to bedazzle your sweatshirt with crystals, courtesy of Kaitlyn for a small fee.

If you are looking for skating apparel or accessories, check out our additional vendors in the lobby.

If you need assistance or have questions during the event:

Contact:

to be determined

Rink Address: [The Rink Exchange](#), 796 W 13th Ave, Eugene, OR

We hope everyone has a positive and fun experience. See you Saturday!

Your Love to Skate Committee!
