

Summer 2025 CSDSC Volunteering Requirements (For CSDSC Club Members Only)

This guide outlines the policies and requirements of the CSDSC for volunteering requirements. By signing this form, you agree to the terms for both mandatory volunteering or paying the buyout fee. Volunteer buyout options have separate fees. For additional information please reach out a CSDSC Board Member.

Volunteer Guidelines:

1. All families are required to either volunteer their time with different duties or pay an opt out fee. All hours must be worked. If ALL hours are not worked the remaining hours will be billed to the family at \$20 per hour not completed. Payment will be required before approval to skate the following session. If payment is not made, skaters will become noncompliant, and status will be turned into not good standing with USFSA.
2. If a family has more than one skater, hours required will be of the highest skater's level.
3. At the end of each session the volunteer hours reset to zero hours completed.
4. Volunteers must be at least 13 years of age to receive volunteer hour credit.
5. CSDSC recommends an adult to be present at EVERY practice for safety reasons, so parents/guardians are encouraged to stay and watch skating lessons.

Volunteer Hour Requirements per Session

Hours Required	Opt. Out Amount	
Competition/Testing	10	\$200
Lessons Only	5	\$100

*if you are in testing or competition lessons, your requirement is for that group and not that of your level. *

I understand that the policies printed and communicated to me in any fashion are subject to interpretations, review, and changed by the board. Any changes made to the guide will be available on our login page and emailed to families. A paper copy will be provided upon request.

If you want the buyout option for Volunteering or Fundraising, you must reach out to Shantel Kocer by responding to the email with these volunteer requirements within 30 days

of registration. The amount for the buy out will be placed in your cart. You will then need to log into your account, go to your cart and check out.
