

FEFSC Show Points Competition Tracker

In order to be eligible to skate in a solo in one of the annual shows in which FEFSC participates at Hertz Arena each year, skaters must submit information about themselves, their testing, and their competitions. All of this information is put into our points system and the points are then tallied to figure out who will receive a solo. This form is to help you collect the information needed for the competition portion of the points. Please be sure to fill it out completely!

Even if you are not thinking about a solo at this point, it is good to start keeping track of your competitions and how you've done. You may only turn in five competitions for show points; however, we suggest that you keep track of EVERY competition that you compete in!
