

OKCFSC Volunteer Opportunities

Membership Year 2018-2019

Dear Skating Families,

The Oklahoma City Figure Skating Club (OKCFSC) is in need of Volunteers for the 2018-2019 Membership Year. This is a great opportunity for our Members to give back to something they love and to pay it forward to make our Club events a great success.

We understand people are very busy and have different schedules, so please take a look at all the different opportunities throughout the year that are listed on the back. We, the OKCFSC Board, are asking each OKCFSC Member (the skater, parent, family member, or friend) to donate their time OR donate items for different events, sponsoring an event, etc. For the skaters or persons helping that need service hours, any OKCFSC Board Member would be happy to sign off on service hours or present a letter for the volunteer time.

Please be on the look-out for a Sign-Up Genius email to let us know which areas you would be interested in and/or fill out the form on the next page and return it to the front desk. We will send you reminders before the event.

There are countless ways for everyone to help, get to know other skating families and continue to grow our great Club. This is something new we are trying this year, so please consider volunteering!

Sincerely,

The Oklahoma City Figure Skating Board
