

Basic Skills Program

Basic Skills teaches the FUNdamentals of ice skating and provides the best foundation for figure skating, hockey, and speedskating. Six progressive levels introduce forward and backward skating, stops, edges, crossovers, and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on

proper skill development taught in a positive, FUN, and social environment. Skaters will progress at their rate and advance after skill mastery is demonstrated.
