

Hello!

Melanie Heaney Photography will be providing action photography at 2024 National Showcase in San Jose, CA. After a year off, we are so excited to be back at National Showcase, and we can't wait to capture all of the incredible skating.

Pre-Order Sales are now live on my [website](#)! [Click here to order](#).

Benefits of pre-ordering:

- No need to wait in line at the event!
- Use the Pre-Order discount code **SHOWCASE24** at checkout to save \$5 on your **individual** order. Discount valid through Monday, August 5.
- Use the Pre-Order discount code **TEAMSHOW24** at checkout to save \$25 on your **TEAM (productions + mini productions)** order. Discount valid through Monday, August 5.

Each order includes all action photos taken throughout the program—generally 100-200 photos for solos/duets/trios, depending on the length of the program. One program is \$60 and additional programs are \$25 each. An additional skater in the same family gets a \$10 discount, and we max out families at \$145.

**Team orders** are generally 250-500 photos per program, and include large group, small group, and individual action shots. We really try to capture great photos of every team member. **Team orders** (productions + mini productions) will be delivered via a password-protected online gallery within four weeks after the event. Orders will be filled according to when they were placed, so if you order early, you'll get your link much earlier than a team that waits until the final day of the event to order.

**Individual photo orders from this event are delivered on USB drives.** You can usually pick up your photos about 20 mins after your event finishes. If you enter a mobile number on your order, we'll text you when the drive is ready if we think you may have abandoned your drive. We have combination drives that have both standard USB and USB-C connections.

If you'd like to see your photos first or if you think you only want a couple of photos, **please** visit us at our sales table at the event. You are usually able to view photos about 10-15 minutes after the skater's group is over. Due to the volume of photos to process and upload and my constant travel schedule, there is always a wait for online proofs, so reviewing photos **on-site at the event** is fastest! This is the busiest time of the year for skating, and I am traveling and photographing almost every weekend through October, so my time at the computer is limited.

If you have any questions or if you want me to send you a custom invoice, please don't hesitate to contact me ([melanieheaneyphoto@gmail.com](mailto:melanieheaneyphoto@gmail.com)), and I look forward to photographing you/your skater(s) at the event!

Follow me on [Facebook](#) and [Instagram](#) to see highlights from my events.

Don't forget to use the coupon code on your pre-order!
